Gentlemen:

We refer to our disclosure on August 8, 2017 on the change in our issued and outstanding shares. Please be advised that the 1,768,300 shares were erroneously reflected as having been issued from the unissued shares of the Company. Since these shares represent full payment of the respective Employee Stock Ownership (ESOWN) subscriptions of the 55 grantees, the said 1,768,300 shares should have been reflected as having been issued from the ESOWN Administrator 2015 account.

In view of the foregoing, the number of outstanding common shares of the Company still remains at 4,896,455,183.

For your reference, please see attached certification from the Company's stock and transfer agent on this matter.

Thank you.

Very truly yours,
